FOSS4G EUROPE 2017 is the premier
Open Source Geospatial event in Europe.

AUDIENCE PROFILE

- Developers and users of geospatial software
- GIS and SDI projects managers
- Geospatial leaders and strategists
- Scientists, researchers and students
- Delegates from international organisations
- Open source geospatial companies
- Companies willing to connect with communities

VENUE

**Ecole Nationale des Sciences
Géographiques (ENSG)** is located on the
Cité Descartes campus of Marne-la-Vallée,
in the eastern Greater Paris.

ENSG is a building of choice for organizing
a geospatial event. Our venue offers large
amphitheaters, comfortable rooms and a
large lobby where the exhibition spaces
and FOSS4G life will take place.

OPEN SOURCE GEOSPATIAL COMMUNITY

FOSS4G Europe is the annual meeting of the open source
geospatial communities from all over Europe. Meet and engage
with these lively groups, teams and user groups during the
conference, exhibition and special happenings.

FOSS4G Europe aims at fostering closer interactions amongst
the European geospatial communities, support the collaborative
development of open source geospatial software, and promote its
widespread use.

Call for sponsors

The **FOSS4G EUROPE 2017** local organizing committee is calling for sponsors to help making the 2017 edition a great success. **Support FOSS4G Europe** in 2017, give back to the open source community and get a unique opportunity to promote your geo business. Sponsor our event notably means :

- Engaging a premium audience of key geospatial industry stakeholders and potential clients.
- Demonstrating the strength of your corporate brand, products or services.
- Networking and building relationships.

FOSS4G EUROPE 2017 is a unique marketing opportunity, and we are confident your involvement as a sponsor will provide your company or organization with great industry rewards. A variety of **sponsorship packages** are available and the local organizing committee is happy to consider customization should the proposed packages not meet your needs. We are open to your ideas for sponsoring any of the following items:

- Event lanyards or swag
- Ice Breaker event
- Coffee breaks
- Gala event

Please contact sponsor-foss4ge2017@osgeo.org for any inquiry.
